

COVID -19

Please be advised that we are still open as long as we are able. However, we are not allowing any walk in clients unless you have a scheduled appointment. Please call if you do not have an appointment. For the safety of our Staff and Customers, we have taken all necessary precautions and following all Government guidelines concerning hygiene. We appreciate your understanding and cooperation during these hard times. Please feel free to contact us if you have any questions. 7804671020 Thank you from our staff and management.
